Notes:

- Simply being elected is not in itself membership. Invited students **must** register with the national office and be initiated.
- ΦBK-considered class standing above may differ from DU official status. Visit our membership page for more information on election considerations: www.du.edu/phibetakappa
- The ΦBK honor is indicated on students' official transcripts and in the Spring Commencement program (for students graduating during the past year).
- Additional students not listed here, elected in previous years, will be graduating this year.
