Notes:

- Simply being elected is not in itself membership. Invited students **must** register with the national Society and be initiated.
- For more information on our election process and criteria, visit www.du.edu/phibetakappa/membership
- The ΦBK honor is indicated on students' official transcripts and in the Spring Commencement program (for students graduating during that past year).
- Additional students were elected in previous years, who may have already graduated, or be graduating this year.
