Academic Exceptions Types & Documentation

Types of Petitions

1. **Changing Course Registration after the [Published Registration Deadlines](#) (Retroactive/Late Add or Drops)**
   - The Committee will consider retroactive/late adds or drops **only** in the event of extenuating circumstances beyond the student's control.
   - Late adds/drops are not approved for financial reasons, financial holds, concerns about GPAs or being unaware of the various academic deadlines.
   - Requests to retroactively remove an academic "W" are rarely approved, since the appropriate assignment for any course dropped after the first week is a "W" indicating that you withdrew from the course. A "W" does not factor into your GPA.
   - In the request, include: Course Name, Course Number, CRN and quarter.
   - Your late drop petition must address:
     - What steps did you take to drop the course prior to the deadline? (not needed for late adds)
     - Why did you miss the relevant academic deadlines?
     - Why were you able to complete your registrations/drops in your other classes, but not this one (if applicable)? (not needed for late adds)
     - If the registration error was the result of miscommunication or misunderstanding of a university employee, it is important to include any evidence or documentation be sent to AcademicExceptions@du.edu (not needed for late adds).

   ==*Documentation Required*==

   Petitions must be accompanied by a dated email from instructors addressing the following information. The instructor's email is necessary to complete the petition, however, it does not guarantee that the committee will approve your request.
   - Instructor emails should be sent to AcademicExceptions@du.edu. Please request from your faculty to include the following information:
     - Your attendance and class performance
     - When did you initially discuss dropping the course with the instructor? (not needed for late adds)
     - Any additional information that would be helpful for the Academic Exceptions Committee to fully understand the situation.
     - Be sure to email any additional documentation beyond what is required indicating extenuating circumstances to [AcademicExceptions@du.edu.](mailto:AcademicExceptions@du.edu)

Additional requests for retroactive/late drops for the term require documentation from external University sources:

- Any non-affiliated DU study abroad request must be consistent with the student's academic requirements, must have appropriate departmental approvals and meet DU's transfer of credit policy.
- Exceptions to the residency requirement will not be approved if a student's time out-of-residence results in too substantial a proportion of their academic work being taken outside the University of Denver.
