Notes:

- This list includes seniors who graduate(d) during the 2023-24 school year, and some exceptional continuing juniors. Additional students were elected in prior years, who may have already graduated, or be graduating this year.
- Election is **not** in itself membership. Invited students **must** register with the national Society and be initiated. (Much like admission to a university is not a degree from that institution.)
- For more information on our membership eligibility and election process, visit www.du.edu/phibetakappa
- The ΦΒΚ honor is indicated on students' official transcripts and in the Spring Commencement program (for students graduating during that past year).
