Notes: This list includes seniors who graduate(d) during the 2024-25 school year, and some exceptional continuing juniors. Additional students were elected in prior years, who may have already graduated, or be graduating this year. • Election is **not** in itself membership; invited students **must** register with the national Society and be initiated. (Much like admission to a university is not a degree from that institution.) • For more information on our Society, including membership eligibility and election process, visit www.du.edu/phibetakappa
